

Internal memo dated 13-6-23 smoking area.

Please note that during operational working hours only one person is allowed within the designated smoking area at any given time.

This does not apply to employees during their scheduled break times.

Please note that all smoking and vaping is prohibited throughout the entire site apart from the designated smoking area.

The pre preparations of traditional roll ups must only be conducted within the designated smoking area and not within the work area or benches.

Smoking and vaping is prohibited outside of the designated area and no one should vape or smoke on their way to or from the designated area.
